EXPERIENCE

UX/UI Designer I KE Design, LLC   April 2022 - Present

Freelance

- Services include designing the full user experience journey and user interface design for digital products
- Collaborate with startups to solve solutions and build engaging and useful products

UI/UX Designer I ChopDawg.com   April 2022 - August 2022

Philadelphia, PA (Remote)

- Produced user flows, low-fidelity and high-fidelity wireframes, prototypes and branding assets that are user centered
- Presented deliverables to clients on a weekly basis to review mobile and web app designs per scope requirements and gather feedback to iterate on designs
- Collaborated with designers, project managers and developers to define and implement innovative solutions for native iOS and Android mobile designs from concept to final hand-off to development

UI/UX Design Intern I ChopDawg.com   January 2022 - March 2022

Philadelphia, PA (Remote)

- Supported the design team on various user flows to improve user experience and interaction
- Shadowed weekly client calls to observe designers present deliverables to clients and help provide feedback
- Contributed to the agency design system by creating components and visual reference guidelines for both app stores

UX Design Intern I C-Tribe Society   June 2021 - December 2021

Edmonton, AB (Remote)

- Designed a sitemap, low-fidelity wireframes and a low-fidelity prototype for a website in desktop and mobile breakpoints
- Worked in tandem with interaction designers and web developers to design and build creative and intuitive solutions for users
- Presented deliverables to the design team as well as stakeholders

UX Design Intern I IPEX   June 2021 - July 2021

Calgary, AB (Remote)

- Created a sitemap for a blockchain technology website and designed low-fidelity wireframes for a responsive website to define and plan the information hierarchy.

Case Manager I Slack Davis Sanger LLP   June 2017 - June 2021

Austin, TX

- Drafted and filed all complaints, motions, notices and stipulations in the proper US District Court, handled all correspondence and medical records, organized all client files and expenses using multiple CRM software and performed legal research using TLOxp.
